More awards

The brewery continues to win beer awards. Delirium Tremens, La Guillotine and the new abbey beer Averbode are the ones that keep on winning gold, silver and bronze medals. Something to be proud of and a clear proof of the quality of the beers. We can still compete with the best brewers in the world. And we have more reasons to celebrate: Our showpiece Delirium ...

Brewery Huyghe on its way of becoming the most sustainable brewer of Belgium

In every newsletter we inform the fans of the brewery and its beers about our progress in becoming the most sustainable brewer of Belgium. In the meantime the solar panels have been installed on the roof of the stock room and the panels are already active. This means that we have now doubled the previous capacity of 154 KwP and that a large part of ...

Jubilee beer Delirium Argentum available!

Alain De Laet, about Argentum: "We are very proud that already for 25 years beer lovers all over the world can enjoy Delirium Tremens. To celebrate this, we developed a special beer, for which we used 6 different types of hop (including 3 American types), and (roasted) barley and wheat malt. The beer was also dry-hopped. The result is an Indian Pale Ale (IPA) beer ...
