A quarter full of awards, investments and a huge loss

Time flies by! The past months Brewery Huyghe has focused on finalising the investments in the bottling line and the decision to reuse wastewater as of 2016.

In Memoriam Roger Van Loo 1939 - 2015

We have lost Roger, a beautiful person. Roger was always positive, a family man, friend of many people also outside of Melle, always available, always willing to help. Even if he did not manage to solve things himself, he always knew to whom to go to find a solution.

Averbode Abbey beer wins Sparflex award for best packaging

Averbode Abbey beer has won the Sparflex award for the most attractive packaging. Especially the serene and stylish appeal, combined with the glass, was highly appreciated.

Expansion sheltered workplace

The collaboration with the sheltered workplace Ryhove-De Mereld is very positive. The 450 m2 now already turns out to be too small for the employees who amongst other prepare export packaging. This is why we are adding an extra floor of 2000m2 to the stock shed of 2500 m2. This means more people can be employed and services can be expanded.

Sustainability

Yet again brewery Huyghe has integrated a number of measures in order to improve its sustainable profile

Expansion of the stock room behind textile factory Unica

When we started construction works of the new stock shed along the Eikerwegel, it became clear that we lacked space to stock valuable empty bottles, drums that needed to be repaired and machinery. The urge for more storage capacity forced us to pave a part of the terrain behind the textile factory Unica with concrete stelcom slabs. The Unica factory is still being used as a textile warehouse and behind it, the brewery will now stock items, which are needed sporadically.

The brewery continues to grow

The first 7 months of 2015 the turnover increased by 15%. As a consequence of a strategic shift of the brewery, the volume however only increased by 2%...

Did you know that ...

Tens of people have come to the brewery in a sustainable way on World Environment Day on 5 June? In total more than 1000 km was travelled in a sustainable way. Obviously, everyone who made the effort was rewarded with beer packages
