Dear friends, friends of the brewery and colleagues,

I wish to thank you for the help and support that you have given to my family and me during our recent difficult times. Thanks to you help and support my family was able to reconstruct a home in Melle. Thus, when I got back from the hospital, I had no immediate concerns and I could concentrate on getting better.

March 1st I restarted work at the brewery and I am onze again at your disposal. However, my colleagues still lighten my task a lot until i am again 100%. You have shown us true friendship and solidarity.

Kind regards,

Alain de Penning
